

KILO

KILO DINING CHAIRS

Dine in high style.

Our Kilo Series dining chairs sit at the head of any table. These elegant, modern chairs are both stylish and functional. They feature a lightweight, high-strength aluminum alloy frame, a fully upholstered seat and back and are available in virtually unlimited fabric and finish combinations. Bon appetit!

KILO NESTING CHAIRS

Quality that really stacks up.

Our Kilo Series nesting chairs are a feast for the eyes. And not only do they look like a million bucks, they last like it, and nest like it, up to 4 high. Features include a cozy COMFORTweb® seat, a durable aluminum alloy frame, non-marring butyrate guides and a standard five-year structural warranty.

MTS Seating is sensitive to the impact of our manufacturing on the world around us. That's why we developed and adopted the SynerGreen® philosophy to make continuous environmental improvements in our processes and products, while practicing sound business principles to focus on satisfying customer needs. In addition, MTS is proud to be the first hospitality banquet seating manufacturer to earn the GREENGUARD® Indoor Air Quality Certification on our line of stacking, banquet and restaurant seating, and in 2014, MTS received Sustainability Leader status with the MindClick Global Hospitality Sustainability Index.

Visit our website at mtsseating.com to find out more about our SynerGreen program and for the big picture in turnkey solutions for every seating setting.

Discover performance engineering, ergonomics today's hospitality industry demands, and the design impact to make a lasting statement – whimsical to romantic, retro to regal.
