

THE MULTI-PURPOSE LIGHTWEIGHT

The latest addition to our MTS Burgess® Collection, the Salvo Series are contemporary, lightweight, multi-purpose stacking chairs. Perfect for banquet and conference venues, these stackable chairs feature sturdy aluminum alloy frames, unique back shapes with our COMFORTflex® back design standard. When it comes to seating comfort, Salvo is cause for celebration.

Ultra-light option

If reducing chair weight and housemen's fatigue is your goal, specify "-UL" after the model number for our ultra-light option, which takes a full 2 lbs. out of the overall weight of the chair.

MTS Seating is sensitive to the impact of our manufacturing on the world around us. That's why we developed and adopted the SynerGreen® philosophy to make continuous environmental improvements in our processes and products, while practicing sound business principles to focus on satisfying customer needs. In addition, MTS is proud to be the first hospitality banquet seating manufacturer to earn the GREENGUARD® Indoor Air Quality Certification on our line of stacking, banquet and restaurant seating, and in 2014, MTS received Sustainability Leader status with the MindClick Global Hospitality Sustainability Index.

Visit our website at mtsseating.com to find out more about our SynerGreen program and for the big picture in turnkey solutions for every seating setting.

Discover performance engineering, ergonomics today's hospitality industry demands, and the design impact to make a lasting statement – whimsical to romantic, retro to regal.
