

SALON

Make the light choice.

Enjoy the incredible MTS 12-year structural frame warranty on our exceptionally lightweight, high-strength aluminum alloy frames. The Salon Series offers dramatic lines, delightful corner details and an elegant reeded profile – in an endless array of fabrics. Choose from the warm look of wood with mahogany, chestnut or dark walnut, the look of highly polished brass, gold, copper, or a natural aluminum finish for a wonderfully sophisticated effect.

SALON

Passionate about performance.

Whether you opt for the side chair or armchair model, our Salon Nesting Chair makes a distinguished design statement. Armchair models feature standard upholstered arm rests, or choose optional solid maple or durable PVC arm caps. Either way, this chair is perfectly at home in the most sophisticated banquet setting, and practical as well – nesting up to six high for supreme convenience.

All Salon models from the MTS Burgess Collection nest easily up to six high.

Choose class and comfort.

Whether it's a five-star dinner at the club or high tea with the women's auxiliary, these aluminum frame chairs offer the perfectly discreet combination of elegance and durability. They're extraordinary chairs for sophisticated occasions where standard banquet seating just doesn't cut it. These MTS Burgess® Collection chairs feature the MTS COMFORTweb® seating system and are also some of the strongest and most durable chairs on the market, outperforming other models on durability testing. That's why these chairs are standard with a 12-year structural frame warranty.

Matte: Specify MCM

Dark Walnut corner
Specify DWC

MTS COMFORTweb® Seating System

Standard on all models, a luxurious layer of specially formulated COMFORTbliss™ foam is supported by flexible rubber and polypropylene stretchband material for responsive, reliable comfort.

Premium Metal Base, Rubber Cushion Booted Glide Option

A rubber cushion "silencer" reduces noise on hard surface floors and allow chairs to slide easily on carpet. Specify MBG.

Caster Options (Metal/Rubber Tread)

Standard in Windsor Antique Finish. 2" Metal Ball Caster for carpeted floors (Specify "C" after model number for four casters and "2C" for two front casters only). 2-1/4" Ball Caster with Rubber Tread for hard surface floors (Specify "RC" after model number for four casters and "R2C" for two front casters only).

Pullover Domed Seat Option

Pullover domed seat for increased nesting up to 10 high. Specify POS.

Upholstered, Wood and PVC Arm Cap Options

Salon armchair models come standard with upholstered armrest and are also available with an optional Maple wood armrest in your choice of MTS stains. The optional PVC arm cap is a durable, graphite colored material, which has self healing characteristics when heated air is applied to nicked or cut areas. It is also tolerant of most commercial cleaning chemicals.

Upholstered
Standard

Solid Maple
Specify OMA

Durable PVC
Specify PAC

MTS Burgess Salon Series Back Options

Antique Brass Nail Trim
Specify BNT

Button Back
Specify -B after model number and specify button upholstery if different from back upholstery.

Button Tufted
Specify BT. Buttons available in three styles. Specify accordingly: Brass BRB, Chrome CHB and Upholstered UPB (as shown).

Contoured Back with Lower Lumbar Support System

The lower lumbar support system of rubberized polypropylene material is integrated into the specially designed curved back, offering superior support especially during extended seating periods.

Silhouette Style Back

All MTS Burgess upholstered back Salon chairs feature the "silhouette" style back - no exposed fasteners for a clean, finished look.

ProBax® Advanced Seating Technology

With the ProBax Option, users will experience more comfort through a reduction in pressure on the spine and muscle fatigue in the back. It's technology that translates into proven health benefits and more sustained alertness over time.

12-Year Structural Frame Warranty

One of the strongest and most durable chairs on the market, the MTS Burgess® Salon nesting chair outperforms similar models on durability testing.

Banquet Sized "Seat-on-Seat" Nesting Side Chair

Any MTS Salon side chair may be ordered in a narrow version to accommodate ten chairs around a 60" diameter banquet table or twelve chairs around a 72" diameter banquet table. Specify "-N" after model number. The overall width of chair remains the same. The front legs and seat will be narrowed from 17-1/2" to 16-1/2" to accommodate banqueting tables. One-hundred piece minimum. Chair is standard with pullover domed style seat to assist in nesting up to ten chairs high.

MTS Seating is sensitive to the impact of our manufacturing on the world around us. That's why we developed and adopted the SynerGreen® philosophy to make continuous environmental improvements in our processes and products, while practicing sound business principles to focus on satisfying customer needs. In addition, MTS is proud to be the first hospitality banquet seating manufacturer to earn the GREENGUARD® Indoor Air Quality Certification on our line of stacking, banquet and restaurant seating, and in 2014, MTS received Sustainability Leader status with the MindClick Global Hospitality Sustainability Index.

Visit our website at mtsseating.com to find out more about our SynerGreen program and for the big picture in turnkey solutions for every seating setting.

Discover performance engineering, ergonomics today's hospitality industry demands, and the design impact to make a lasting statement – whimsical to romantic, retro to regal.
