BOLERO

Picture perfect.

The Bolero® Series from MTS provides elegant, artistically engaging design choices in a banquet chair that does not look like a conventional banquet chair. These exceptional chairs feature a high-strength, lightweight, extruded aluminum alloy frame for greater durability. Bolero offers the convenience of seat-on-seat nesting up to eight high. It's a pairing that makes the Bolero a welcome sight in venues of all sizes.

FEATURES

COMFORTweb® Seat Designed for exceptional comfort during prolonged periods of sitting, the MTS COMFORTweb® technology works by interweaving flexible, rubberized polypropylene stretchbands in support of a 2-1/4" layer of COMFORTbliss® foam padding.

Silhouette Style Back All Bolero® nesting chairs feature silhouette style backs with no exposed fasteners. Silhouette style backs are designed to fit inside the frame to protect upholstery and provide a clean, finished appearance.

Industry's Best Frame Finish Available in more than 30 standard colors, MTS powdercoat finishes are specially formulated to protect against cracking, peeling, impact, abrasion and corrosion. Select from Solids, Metallics, Woodtones, Hammertones and more.

OPTIONS

ProBax® Option ProBax-infused, foam-based seating subtly supports and tilts the pelvis, improving postural position in support of the spine. Offered exclusively through MTS, ProBax has been medically proven to improve comfort and alertness. Adding the ProBax option to your banquet and conference seating is a comforting way to differentiate yourself from the competition.

MTS Retractable Formed Ganger An optional feature that enables MTS Bolero nesters to be ganged together.

Armchair All Bolero models are available in armchair models. Standard with graphite-colored PVC armcaps with self-healing skins for impressive abrasion and chemical resistance. Specify (A) when pricing.

Optional Solid Maple Armchair Cap Give your Bolero chairs a boost in style with a solid maple armchair upgrade from MTS. Specify (OMA) when pricing.

MTS Seating is sensitive to the impact of our manufacturing on the world around us. That's why we developed and adopted the SynerGreen® philosophy to make continuous environmental improvements in our processes and products, while practicing sound business principles to focus on satisfying customer needs. In addition, MTS is proud to be the first hospitality banquet seating manufacturer to earn the GREENGUARD® Indoor Air Quality Certification on our line of stacking, banquet and restaurant seating, and in 2014, MTS received Sustainability Leader status with the MindClick Global Hospitality Sustainability Index.
