A WIDER PERSPECTIVE ON HOSPITALITY SEATING

The DinePlus 20 series is designed specifically for hospitality dining and breakfast areas. The 20" wide COMFORTweb® seat meets the requirements and specifications of a wide range of hospitality brands, along with a fully upholstered back and either a pullover or drop edge seat. The DinePlus 20 is standard with a five-year structural frame warranty.

Staging Products

MTS Seating is sensitive to the impact of our manufacturing on the world around us. That's why we developed and adopted the SynerGreen® philosophy to make continuous environmental improvements in our processes and products, while practicing sound business principles to focus on satisfying customer needs. In addition, MTS is proud to be the first hospitality banquet seating manufacturer to earn the GREENGUARD® Indoor Air Quality Certification on our line of stacking, banquet and restaurant seating, and in 2014, MTS received Sustainability Leader status with the MindClick Global Hospitality Sustainability Index.

Visit our website at mtsseating.com to find out more about our SynerGreen program and for the big picture in turnkey solutions for every seating setting.

Discover performance engineering, ergonomics today's hospitality industry demands, and the design impact to make a lasting statement – whimsical to romantic, retro to regal.
