

SIERRASOLID® TABLE TOPS

MTS SierraSolid® tabletops are constructed from a proprietary acrylic-based resin that delivers unmatched consistency of color and superior color retention, scratch resistance and cleanability. SierraSolid tabletops are available in a variety of top styles and edges in more than 70 colors. SierraSolid table tops complement any venue.

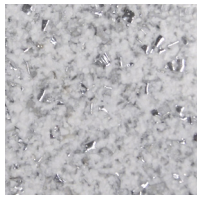

GROUP II SELECTION COLOR SELECTOR

3/4" plywood substrate.

IMPORTANT

Heat: Caution – SierraSolid tabletops may be damaged by hot items, and protection should be used with items such as coffee pots, fry pans, appliances or dishware directly from the oven.

Chemicals: Caution - SierraSolid tabletops may be damaged if industrial type cleaners or solvents are used. Use soap and water for cleaning, then rinsing and wiping dry to eliminate water spots.
